NO. AIBSNLOA/CHTD/5/2019

DATED: 27.02.2019

To

The Chief General Manager
Chennai Telephones.

Respected Madam,

Sub: Posting of SDEs to Chengalpattu area on tenure- reg

Ref: DGM (HR&Admin) No: AST/SDE SL/CPT TFR/2018-19/VOL II/36 dt 22-02-2019

We are given to understand that in the counselling for Posting of SDEs in Chengalpattu Area held on 26-02-2019 as per the DGM (HR& Admin) letter cited above, one Officer has requested for exemption from the CPT area tenure transfer on the grounds of his spouse under medical treatment and that the Administration is considering the request.

It is also learnt that the reported illness does not fall under the already categorised types of illnesses to be considered for exemption of tenure transfers.

We would like to point out that in the past, similar cases have not been entertained by the Administration as for as transfer to CPT area is concerned.

The tenure transfers to CPT area have been so far handled without any kind of favouritism. Giving room for exemption on flimsy grounds will only encourage more such tendencies and dissatisfaction of the hardworking Executives on the lines of Association loyalties.

In this regard it is hereby requested to **kindly interfere and advise** the HR & Administration Section to strictly adhere to the norms and guidelines laid out by you for the transfer of Executives to Chengalpattu Area on Tenure.

Yours Truly

M. Vijayakumar

Circle Secretary
